To whom it may concern,

On October 12, 2020, I requested the following agency records via FOIA:

A-File A3259353 of Antonino LoPresti  
A-File A12055564 of Michelina Camenzuli  
Visa File 3139800 of Wilhelm Fuchs  
Registry File R-151430 of Elizabeth Levine

USCIS created the following control numbers for these requests:  
NRC2020155727  
NRC2020158583  
NRC2020158588  
NRC2020158595  
NRC2020158596  
NRC2020158599  
NRC2020158600  
NRC2020158602

After USCIS *closed* my request, I confirmed with the FOIA Office that this closure constituted a denial. Thus, pursuant to 5 U.S.C. § 552, I hereby appeal this denial. As I stated in all prior correspondence, these files can all be located with the file numbers I have provided, and no other information is necessary to conduct the search. Furthermore, the subjects of record were born more than 100 years ago and are long deceased. There is no privacy issue at play. Please fulfill my requests at your earliest possible convenience. Thank you.

Sincerely yours,

Alec Ferretti, on behalf of Reclaim
